EDUCATION

IEC College of Engineering and Technology , Greater Noida, India	2024 – 2028
B.Tech in Computer Science Engineering – Current CGPA: 8.08	
Laxmi Public School , East Delhi, India	2024
Class XII (CBSE) – Percentage: 72%	
Laxmi Public School , East Delhi, India	2022
Class X (CBSE) – Percentage: 75%	

TECHNICAL EXPERIENCE

Technical Club, IEC College of Engineering and Technology , Greater Noida, India	2024 – Present
Core Team Member	
- Collaborated inside the college technical committee to drive software engineering awareness campaigns among peers. - Coordinated and executed a technical Data Structures and Algorithms (DSA) quiz competition for college students.	

PROJECTS

Shop Management System	2025
<i>HTML, CSS, JavaScript, Firebase</i>	
- Developed a web-based billing and inventory management system to streamline store workflows and digital record-keeping. - Implemented functionalities for dynamic product management, automated invoice generation, real-time stock levels, and client records. - Integrated Firebase Authentication and Firestore Database to facilitate secure user sessions and instantaneous data synchronization. - Embedded an AI-powered conversational chatbot leveraging Google AI APIs to automate repetitive user inquiries and boost engagement.	
Expenses Tracker Web Application	2025
<i>HTML, CSS, JavaScript</i>	
- Engineered a financial dashboard enabling users to set, adjust, and evaluate personal monthly budgets with a secure user entry layer. - Designed interactive charts and progress graphs to provide clear visual telemetry of category-wise expenditure dynamics. - Programmed an intelligent alert notification engine that triggers conditional pop-up warnings as spending approaches strict threshold boundaries. - Created specific parameters capturing localized transactions including product name, description, date, amount, and custom tags.	

TECHNICAL SKILLS

Languages: Java, JavaScript, HTML, CSS

Core Concepts: Data Structures and Algorithms (DSA)

Tools: Git, GitHub, Firebase, MS Office Suite

CERTIFICATIONS

- Web Development Training Certificate – IEC College of Engineering & Technology (2025)
- JavaScript Training Certificate – Career Enhancement Cell, IEC College (2025)
- P.D.P + MS Office Suite Training – Technoledge Eduresearch Pvt. Ltd. (2024)

ACHIEVEMENTS

- Active Participant in national Smart India Hackathon (SIH).
- Active Participant in global Google Solution Challenge.
- Solved core Data Structures and Algorithm (DSA) problems across online platforms like HackerRank and GeeksforGeeks.
